

SPRING 2024 PTA NEWS

ROSWELL NORTH *Elementary*

Thank you to the RNE community for supporting the PTA! Your memberships and Boosterthon contributions have funded multiple school improvements and events this year. As we near the end of the school year, we'd like to update you on our projects and celebrate our achievements. **THANK YOU!**

COMMUNITY SUPPORT & ENGAGEMENT

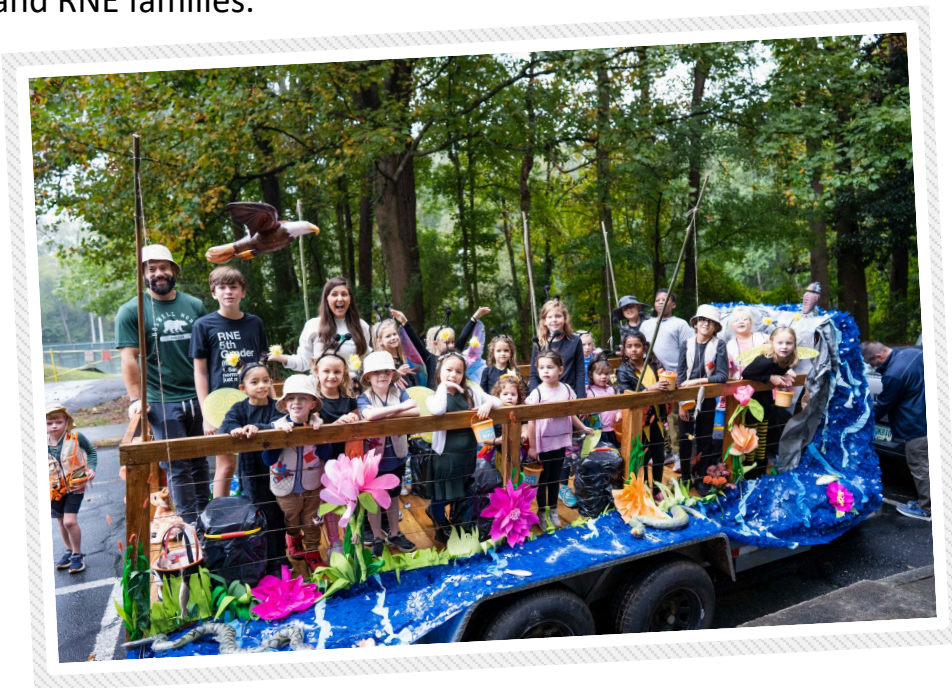

The PTA supported several RNE families and staff through many shared tragedies via donations, meals, and volunteerism. Dad's Club also organized a successful carpool toy drive for Toys for Tots.

Representing RNE in the community, the 5th Grade Peer Ambassadors decorated a Taylor Swift scarecrow on Canton St. and a holiday tree in the square.

The RNE float for the Youth Day Parade is also organized and funded by the RNE PTA and built by members of the Dad's Club and RNE families.

The PTA strives to get families involved with events like Recess with Dads and Dad's Club Carpool.

TEACHER & BUS DRIVER APPRECIATION

Nobody loves their teachers more than the RNE students and families, and the PTA's Teacher and Staff Appreciation Committee ensures they feel valued year-round with events including a welcome back luncheon, teacher and bus driver appreciation weeks, holiday gift wrapping, a soup-er bowl lunch, March Madness lunch, cookie extravaganza, apple raffle, and more!

Our Room Parent Committee also helps support the grade-level room parents so they can meet teachers' needs by planning class parties and coordinating winter and end of year gifts.

INTERIOR & EXTERIOR SCHOOL IMPROVEMENTS

Thanks to PTA funds, Clark Brothers Roofing constructed a safe, new deck last year, and completed the finishing touches this past fall. With your help, students and teachers can now enjoy a safe, new deck.

Stumps and dead shrubs have also been cleared in preparation for the first phase of our new landscape design. Please contact nesptapresident@gmail.com to recommend potential landscaping partners.

Inside the building, the PTA is adding new paint, ceiling tiles, furniture and a projector system to the administrative conference room used for interviews, meetings, and trainings. New furniture is also being added to the Eat 'n Retreat in the Kindergarten hallway.

EVENTS & FIELD TRIPS

The PTA funds and organizes the annual International Night (in February) and Artist Day (before Spring Break). International Night showcases the diverse cultures represented in our student body, and Artist Day introduces careers in the arts through fun, hands-on demonstrations.

Additionally, the PTA sponsored field trips across all grade levels, including visits to the Art Barn, Atlanta Zoo, and College Football Hall of Fame. Several scholarships were also provided for the 5th grade field trip to Jekyll Island.

UPGRADES FOR LEARNING & PLAY

The PTA acquired a new iPad for instructional support teacher Allie Pridgen to conduct student assessments.

This year every class received a recess pack full of outdoor play items for the field and blacktop.

All students will once again be provided with a field day t-shirt for this year's big event!

THANK YOU, Roswell North! It takes a village, and we are so proud of ours!
