

ROSWELL NORTH Elementary

Thank you to the RNE community for your support of Boosterthon! We raised more than **\$68,000** to fund the deck project and other PTA events throughout the year. (And of course, the kids had a blast at the event itself!)

With less than a month left in the 2022-23 school year, your RNE PTA wants to provide updates on current projects and highlight accomplishments made possible through **your generous support.**

DECK REPLACEMENT

Thank you to the RNE community for your generous support of Boosterthon, which allowed us to raise more than enough money to make the new deck a reality. **Clark Brothers Roofing and Construction** partnered with the RNE PTA in October to begin construction, but of course, approval and permitting from Fulton County Schools and the City of Roswell has proven to be a lengthy process!

We are pleased to report a tentative start date of **June 5th** and look forward to starting the 2023-24 school year with a safe, new deck for the students to enjoy. **Thank you for your support and your patience!**

TEACHER & BUS DRIVER APPRECIATION

Nobody loves their teachers more than the RNE students and families, and the PTA's Teacher Appreciation committee keeps them feeling loved all year long with a welcome back luncheon, teacher and bus driver appreciation weeks, holiday gift wrapping services, a soup-er bowl lunch, Apple Raffle and more! Our Room Parent committee also keeps each grade-level's room parents organized so they can meet teachers' needs.

FAMILY ENGAGEMENT

The PTA strives to **get families involved** with events like Kickball with Dads, Yoga with Moms, and Recess with Dads. The RNE float for the Youth Day Parade is also organized and funded by the RNE PTA and built by members of Dad's Club and RNE families.

INTERNATIONAL NIGHT AND ARTIST DAY

The PTA funds and organizes events such as **International Night** and **Artist Day**. International Night showcases the different cultures represented in our student body.

Artist Day introduces students to a variety of careers in the arts while providing fun, hands-on experiences.

FIELD TRIPS

PTA funds field trips for **all grade levels!** From in-school field trips to outings to the Tellus Museum, Zoo Atlanta, and Alliance Theatre, our students love the opportunity to learn something new outside of school.

PTA also provides several scholarships for the 5th grade trip to Jekyll Island.

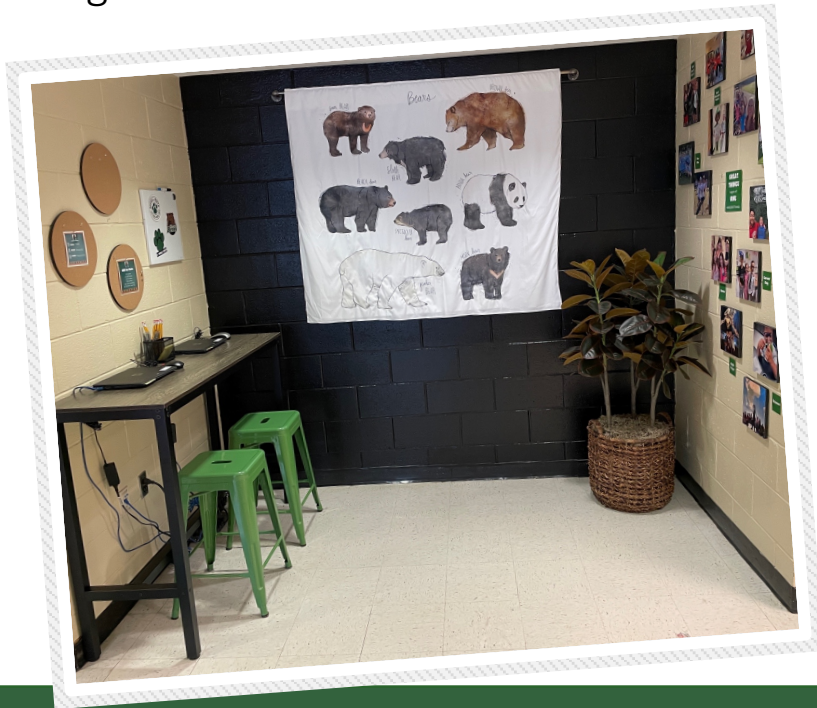

PTA FUNDS HARD AT WORK!

Interior Beautification

PTA funds were used to install **new carpets in 11 classrooms** at the start of the year and new décor in the lobby “nook”!

Field Day Fashion

New this year, the PTA will provide Field Day t-shirts for every RNE student to wear on the day of the big event!

THANK YOU, SPONSORS!

PBIS Goodies

All the RNE kids know good behavior earns them PBIS points, and what do they use PBIS points for? Goodies from the PBIS store, of course!

The PTA's business sponsorship program helps to keep the store stocked.

THANK YOU
to our RNE business sponsors!
